OBJECTIVE

Dynamic and creative content creator with over one year of hands-on experience in social media management, video editing, photography, and political campaign communications. Seeking an internship role in Content, Communications & Documentation to leverage my storytelling, visual production, and digital outreach skills in a professional and impactful setting.

EXPERIENCE

Social Media Manager & Content Creator

National People's Party (NPP) — Kamrup District 2025 – 2026 (1+ Year)

- Managed and grew the official Kamrup NPP Facebook page, driving consistent audience engagement and political outreach.
- Created and edited Reels, posts, and promotional videos for party leader Jonson J. Sangma (Facebook: Sangma Jonson), achieving a total of 25 lakh+ views (2,505,567) with a 113% growth rate over the campaign period, with individual Reels reaching up to 1.15 lakh views.
- Generated 572,517 three-second views and 41,274 one-minute views with a total watch time of over 162 days — reflecting consistently high audience retention.
- Grew the associated Facebook page to 10,000+ followers and managed Jonson Sangma's Instagram, gaining 1,000+ followers and over 1 lakh views through strategic Reels and post content.
- Handled end-to-end content pipeline: conceptualisation, shooting, editing, and publishing.

Campaign Content Creator & Media Volunteer

NPP & Indian National Congress — Election Campaign Support 2025 – 2026

- Supported digital communications and ground-level media coverage for both NPP and Congress party campaigns during active election periods.
- Produced photo and video content for campaign events, rallies, and public outreach programmes.
- Collaborated with campaign teams to ensure consistent and timely content delivery across platforms.

Media & Documentation Support

National People's Party (NPP) — Media Team, Meghalaya 2025 – 2026

- Supported documentation and visual content creation related to the Chief Minister's office and public communications.
- Ensured professional quality of visual outputs used in official and public-facing media.

WHY I'M A STRONG FIT

With real-world results — including content that reached over 30 lakh views — I bring both creative ability and measurable impact to content and communications roles. I am self-motivated, deadline-driven, and comfortable working in fast-paced political and public-facing environments. My combination of professional equipment, editing expertise, and ground-level campaign experience makes me well-suited to document, communicate, and amplify any organisation's voice effectively.
